

MOUNTING SUGGESTIONS:

Harley-Davidson®
FL Touring & Softail Standard
Rear Tire - Mini Fender Bib

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the fender bib on the fender over the stud plate. The bib should be atop the retaining washers.
3. Re-install the solo seat over the fender bib.
4. A passenger seat may be installed over the mini-bib. If the passenger seat is difficult to engage, remove any washers which may be between the bib and seat brackets, and tighten the slotted nuts or bolts securely.

Enjoy the custom look of your new Mustang fender bib!
