

MOUNTING SUGGESTIONS:

Harley-Davidson® Softail Deuce Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the fender bib on the fender. Secure rear of fender bib to the fender with the supplied bolt and washer.
3. Clean the portion of the fender under the front of the bib and apply the self-adhesive hook-and-loop fastener to the fender.
4. Re-install the solo seat.

Enjoy the custom look of your new Mustang fender bib!
